Ms. Atheal Pierce

Montgomery, AL 36117

Dear Ms. Pierce:

This will serve as formal notification that the Administrative Office of the United States Courts has denied in full your tort claim dated February 11, 2006 for \$165,000.00, arising from your bankruptcy case.

Your claim arises from actions taken by the Chapter 13 trustee, an attorney, and the bankruptcy court in the course of your Chapter 13 bankruptcy case. To the extent your claim is premised on the judge's performance of judicial duties, the United States may assert absolute judicial immunity from liability. 28 U.S.C. § 2674. The United States is not liable for the actions of a Chapter 13 trustee or a private attorney, because they are not federal employees. 28 U.S.C. §§ 2671, 2672. You have also failed to prove any negligent or wrongful action that could give rise to federal tort liability under state law. 28 U.S.C. § 2672.

I am required by regulations of the Department of Justice to advise you that you have the right to file suit in an appropriate United States district court within six months of the date of mailing of this notification.

Sincerely,

John Chastain

Docket File Number 1060060

Ex Parte Atheal Pierce,
Re: Montgomery County Circuit Court
Proceedings and official Cv-05-3197

Atheal Pierce's Response to American General Finance's Motion stacked with out-of circuit court records/documents and the Affidavit of ATHEAL PIERCE

Before me, a Notary Public in and for said County and State, personally appeared Atheal Pierce and, after having been by me first duly sworn, deposes and says under oath as follows:

1. My name is Atheal Pierce. In some filings related to this case I am identified as "Appellant." I am over (19) years of age and have personal knowledge of the facts as are set out herein.

2. I discussed the entire matters about this case with attorney Blevins and he issued the following opinion. This document is not apart of the court record.

3. Response: American General Finance, Inc., documents are nothing more than attempts to stack the court and confuse the honorable and fair justices otherwise clear judgment about the case on appeal.

4. Response: American General Fiance, Inc. wrongfully assumes that I have given or waived my rights to the real property issues and mortgage issues. This is not the case and is not the truth. I filed a timely federal lawsuit and record evidence is attached hereto.

The document is not apart of the court record.

. American General Finance, Inc., has stacked its Alabama Rule (8) pleading with prejudicial and irrelevant federal documents, some of which are not finality documents and others filed in bad faith to confuse the Alabama Supreme Court..

5. Response: The documents of record clearly show that the lower court **dismissed** American General Finance, Inc., case without prejudice , given them the opportunity to refile or leave the matter alone.

6. Response: American General Finance, Inc., has failed to inform this court that **ORDER** dated and signed the 26th day of January 2006 gave American General Finance, Inc., notice and **ORDER** dated and signed the 26th day of March 2006 gave American General Notice and Order of **Dismissal of the circuit court case**.

7. Response: American General Finances, Inc., has failed to inform this court that a federal lawsuit is pending in the United States Federal District Court, Middle District of Alabama that is due to deal with foreclosure issues, redemption issues and money issues involving the real property known as 5916 Havenwood Drive and 701 Doris Circle issues both in Montgomery, Alabama. See federal document attached but not of the circuit court record.

<X

Wherefore, Pierce ask that this honorable court take notice that Pierce is not in any way misleading the court nor attempting to bypass and or delay justice. Pierce is seeking equal protection under the laws of Alabama and the circuit courts records demonstrate that this matter is dismissed at the circuit court level by official ORDER OF THE COURT and the issues pertaining to foreclosure, bankruptcy and redemption are truly and lawfully before the federal courts.

Respectfully submitted

Atheal Pierce
